

# Security booklet

At Phoenix Uniforms, we are experts in providing uniforms for the Security sector, something we have done since 1996.

We stock a range of core uniform items to help portray the correct image for your brand and can source any other item not currently on our offerings.

For larger companies we can offer bespoke manufacture to their exacting needs and for all we offer an in-house branding service using the latest methods available.

Our strong supply chains and longstanding relationships with suppliers mean we are rarely beaten on any like for like pricing across the range, giving you the comfort of receiving the best value products on the market.

We have many longstanding customers who have partnered with us over two decades, a testament to our quality, services and expertise in this sector.
